CRIANZA

100% Tempranillo from our own vineyards located in Rioja Alavesa.

Alcohol: 13,5% Vol.

Bottle: Traditional Burgundy. 750 ML.

Aging: 12 Months in American and French Oak Barrel

It has a shiny garnet colour that is very intense with a slight tile nuance around the edge. It has aromas of maturing, oak and vainilla, but it preserves memories of liquorice varietals and sugar-coated fruit.

Complex and elegant in the mouth. Balanced, without edges. It is a wine with body, fleshy and exuding charm. It has an intense and long-lasting aftertaste.
